Program for Nov. 12

Today's speaker told her own story of violent domestic spousal abuse. As a successful business woman and Rotarian, you would never guess her past included 10 years of pure hell. She was rewarded with lavish gifts when she was "good" and fought for survival the rest of the time. Why do women stay in abusive situations? Every woman is unique, but for our speaker it was having never learned to speak up for herself as a child. It has taken many years of counseling for her to be able to speak up. She was one of the lucky ones who made it through the ordeal successfully. What a powerful story!

Thought for the Week:

A conscience is what hurts when all the other parts feel so good.

5K Success

The final tally is not in but results look good! Paul Keely says we made nearly double of last year (and that was \$6,300!). With less runners, but more excitement of the ball toss, we are in good shape to present a hefty check to the Newark Area Welfare Committee to support them in continuing to help our less fortunate neighbors in the Newark area. Many thanks to EVERYONE who helped with the Second Annual 5K Rock and Roll.

Holiday shoppers needed

The holiday season is always busy for us [personally but also as Rotarians. Shoppers are needed to purchase new clothes for needy students at McVey School. We have a specific list of items needed. See Laura DelPercio for a list, do the shopping, return the items to her in a black plastic bag (no wrapping, please!) and the items will be delivered to the school nurse for distribution to the families. Turn your receipts into Shawn for reimbursement (if you desire to do so.)

We also provide \$50 Walmart gift cards to 10 needy families at Downes School. Eric Cannon will take care of that this year.

Ring the Bell dates to be announced

Marie Holliday is arranging dates for our annual Ring the Bell for Salvation Army's Kettle drive.

Homework Club wrapped up for now

What started as a pilot program to help students with homework and additional tutoring has turned into a successful five year commitment by our members. The Fall 2015 session of Downes Homework club, officially known as CATCH, held its last session Wednesday. The next 6-week program will begin the end of January. Many thanks to all of our members who helped the young students read, add and subtract, and practice spelling. But we do need to brush up on our checkers skills!
