Program for Oct. 29

Is Delaware's revenue stream going to hell in a handbasket? Are we spending too much? The truth lies somewhere in between, depending on who you listen to. Serving on two of Gov. Markell's finance committees, Dr. Ed Ratledge has a unique position to see what our finances are like. The Finance Advisory Committee (DEFAC) determines how much the State can spend and still retain 5% in the rainy day fund. The Advisory Council on Revenue looks at the future revenue stream and will make suggestions to the governor.

Thought for the Week:

A clear conscience is usually the sign of a bad memory.

5K THIS SATURDAY

Saturday, Nov. 7 will be a day to remember – especially if you purchased one of the balls that was dropped by a bucket truck and it landed closest to the hole! Added to this year's Rock and Roll 5K are four prizes for a ball drop! If you can sell tickets to friends, co-workers, and family, that will be even more that we can raise to support the Newark Area Welfare Committee to continue their valuable work in our community. See Robin, Polly, or Paul for ball tickets. Only \$10 each.

And we need volunteers to help. This is not a one-man operation. Volunteers are needed to help collect money, distribute water bottles, arrange prizes, collect silent auction items, pick up the balls, and muc more. See Paul Keely for an assignment.

Ole' Success with great food, wine, and fellowship

We had 53 hungry Rotarians and friends at our Ole' Tapas dinner. With \$14 of each dinner going to resurrecting a Rotaract club at UD, we raised more than \$700. Bill S. has started the process to get the students involved in the college-level Rotary club with its focus on community service.

Second quarter invoices now due!

Homework Club in full swing- Volunteers STILL Needed

Downes Homework Club started Monday, Oct. 5, and will continue through Wednesday Nov. 18. Sign-up sheet will come around. From 3:15 until 4:30 we help second and third graders with homework, do practice work, and spend time mentoring them. This is one of our signature projects. Please check your calendar for Mondays and Wednesdays and sign up to help.
