Program for Sept. 3

The building has history and the latest “bar” to hit Newark wants to preserve some of that – some. Grain on Main is a craft bar and kitchen, not high-brow, just “creative taste for regular folks.” Partners Lee Mikles and Jim O’Donoghue wanted to preserve some of MoJo Main, the previous occupant, but their designer had other ideas which turned out for the better. With new décor, a lighter dining room and bar, and a stage area large enough for only 2 pieces, the restaurant is clean, open, and inviting. Some of the furniture was crafted by Challenge Program in Wilmington. Even though they keep the history of Delaware in their logo (Delawarean Oliver Evans invented the first automobile) and in some décor pieces, USB ports are at tables and under the bar for customers’ convenience. Craft beers are on tap but they also carry Bud Light!

Dictionary Distribution

School’s back in session and we are ready to distribute dictionaries to third graders in several Christina area Schools. Mike Laur has the signup list. He needs coordinators for each school who can make delivery arrangements and then we need four or five members to accompany him/her the day of delivery. This is one of the most exciting hours you will spend, when you see the excitement on the kids’ faces that they are receiving their own personal dictionary. If you can help, contact Mike at mike.laur@edwardjones.com.

Learn more about Rotary

Rotary Leadership Institute will be held at Cecil College in North East, Md. October 17. If you want to attend parts I, II, or III, register at www.rlinews.blogspot.com. Pay online, then give your receipt to Shawn for reimbursement. The program is an all-day session, with lunch included. So it’s basically FREE!!! This is a chance to learn more about different aspects of Rotary and The Foundation. Our club has made this a priority for members, so take advantage of the opportunity.

Community Day

We need helpers for Sunday, Sept. 20! See Robin to sign up for a shift.
