## Of the Rotary Club of Newark Morning

Clinton Tymes opened the meeting at 7:30.

This week our District Governor, Cliff Berg came to install Clinton Tymes as our President. We also held the monthly BOD meeting.

Secretary Mike reported we had 23 members present, visiting Rotarian DG Cliff Berg and 1 guest, Amanda McGinty.

Sgt-at-Arms, Stuart Lee said today was the 14th Amendment to the US constitution went into effect 150 years ago. We celebrated with voluntary donations instead of fines.

In her Rotary Minute, Robin explained the new Imagine Rotary symbol and then equated the goals of our club to each of the points. She emphasized Trust, Respect, Teamwork, Accountability, Transparency, Fellowship, and the adoption of the 4 Way test into each of our lives as the goals of our club moving forward.

Joyce Henderson introduced our DG, Cliff Berg and he took the podium to greet us and then install Clinton as our 2022-2023 President. Clinton, in turn, presented the Immediate Past President pin to Joyce. In his comments Cliff reflected on the importance of passing the leadership on at all levels of Rotary, from RI to the now 36,000+ clubs around the world.

Jamie Zingaro reported on the Code of Conduct committee results. We will adopt the RI Code of Conduct as written and spend time in the following

weeks Rotary Minutes to reflect and expand on how to apply each of the 5 points in our club.

Shawn Klapinsky provided the annual club profit loss statement and answered questions about budget vs. actual results, timing of cash receipts in an effort to maintain absolute transparency. Marie Holliday did a follow-up clarification of how the club accounts on a cash basis and that funds raised in previous year are spent in the following year. The key point is that what may seem as excess funds are really just our emergency fund and cash that is already budgeted to spend in the new year.

Clinton reported that the Core Values and Mission statement will be polled in the next week using Survey Monkey. Please participate in the survey. Clinton is also reworking our latest spreadsheet of club committees. He thanked Cindi Viviano & Jamie Zingaro for stepping up to work on the club picnic. We are still looking for volunteers to take key officer roles and lead committees. In response to a question, DG Cliff Berg reported that another Newark Rotary club is pretty far along and may charter in September.

Cindi Viviano stood to make a call for members to get engaged and do stuff because it is FUN! And Clinton said we would take IDEAS for activities & service projects at the next meeting. He concluded with WE CAN DO IT ALL!
